2021 ANNUAL MEETING PROXY STATEMENT

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 9, 2021

The Notice of Annual Meeting, Proxy Statement, Proxy and 2020 Annual Report to Stockholders are available at: <http://www.pstvote.com/opgen2021>

We are making these proxy materials available to you in connection with the solicitation of proxies by the Board of Directors (the "Board") of OpGen, Inc. (the "Company") for the 2021 Annual Meeting of Stockholders (the "Annual Meeting") and for any adjournment or postponement of the Annual Meeting. The mailing of the notice of internet availability of these proxy materials will commence on April 26, 2021.

The 2020 Annual Report includes our financial statements for the fiscal year ended December 31, 2020. You can also find a copy of our 2020 Annual Report on Form 10-K on the Internet through the Securities and Exchange Commission's electronic data system called EDGAR at www.sec.gov or through the "Investor" section of our website at www.opgen.com.

The Annual Meeting will be held at the Company's offices located at 9717 Key West Ave, Suite 100, Rockville, MD 20850* on June 9, 2021, beginning at 10:00 am, local time. In this Proxy Statement, "we," "us," "our," "OpGen" and the "Company" refer to OpGen, Inc.

This Proxy Statement is being made available to you because you own shares of our common stock, par value \$0.01 per share, as of the record date, which entitles you to vote at the Annual Meeting. By use of a proxy, you can vote whether or not you attend the Annual Meeting. This Proxy Statement describes the matters we would like you to vote on and provides information on those matters.

* As part of our precautions regarding the coronavirus (or "COVID-19") pandemic, we are planning for the possibility that we may need to change the location of the Annual Meeting, or the Annual Meeting may be held solely by means of remote communication. If we take this step, we will announce the decision to do so in advance, and details on how to participate will be available on our website at <https://ir.opgen.com/investors>.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q: What is the purpose of the Annual Meeting?

A: The purposes of the Annual Meeting are to hold a stockholder vote on the following matters:

1. **Election of Directors.** The election of the five directors named in the attached Proxy Statement, to serve until the next annual meeting of stockholders and until their successors are elected and qualified;
2. **Amendment to Certificate of Incorporation.** The approval of an amendment to the Company's Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), to increase the authorized number of shares of capital stock from 60,000,000 to 110,000,000 and authorized number of shares of common stock from 50,000,000 shares to 100,000,000 shares;
3. **Ratification of Appointment of Independent Accounting Firm.** Ratification of the appointment of CohnReznick LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021;
4. **Say on Pay.** An advisory vote to approve the compensation paid to the Company's named executive officers;
5. **Frequency of Say on Pay Vote.** An advisory vote regarding the frequency of submission of future say on pay votes to the stockholders for approval;
6. **Adjournment.** The approval of a proposal to adjourn the annual meeting to a later date, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Amendment to Certificate of Incorporation proposal; and
7. **Other Matters.** The transaction of such other business as may lawfully come before the Annual Meeting or any adjournment(s) thereof.

Other than these proposals, the Board is not aware of any other matters to be presented for a vote at the Annual Meeting.

Q: Who is entitled to vote at the Annual Meeting?

A: Holders of record of our common stock as of the close of business on April 15, 2021, the record date for the Annual Meeting, will be entitled to notice of and to vote at the Annual Meeting and at any adjournments or postponements thereof. Holders of record of shares of common stock are entitled to vote on all matters brought before the Annual Meeting.

As of the record date of April 15, 2021, there were 38,266,482 shares of common stock outstanding and entitled to vote on the election of directors and all other matters. Holders of common stock will vote on all matters as a class. Holders are entitled to one vote for each share of common stock outstanding as of the record date.

You do not need to attend the Annual Meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card or voting through the internet.

Q: How do I vote?

A: You may vote in person at the Annual Meeting, vote by proxy through the internet or vote by proxy using the enclosed proxy card. To vote through the internet, go to <http://www.pstvote.com/opgen2021> and complete an electronic proxy card. You will be asked for a Control Number, which has been provided with the Notice of Internet Availability.

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy to ensure your vote is counted. Voting by proxy will not affect your right to attend the Annual Meeting and vote. If you vote via the internet or properly complete your proxy card and submit it to us in time, the "proxy" (one of the individuals named on the proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, the proxy will vote your shares as recommended by the Board and, as to any other matters properly brought before the Annual Meeting, in the sole discretion of the proxy.

Q: What shares may I vote?

A: You may vote all shares of common stock of the Company that you owned as of the close of business on the record date. These shares include:

1. those held directly in your name as the *stockholder of record*; and
2. those held for you as the *beneficial owner* through a bank, broker or other financial intermediary at the close of business on the record date.

Each share of common stock is entitled to one vote.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders hold their shares through a bank, broker or other financial intermediary rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and shares held beneficially.

Stockholder of Record: If your shares are registered directly in your name with OpGen’s transfer agent, Philadelphia Stock Transfer, Inc., or the Transfer Agent, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your proxy directly to OpGen or to vote your shares in person at the Annual Meeting.

Beneficial Owner: If you hold shares in a stock brokerage account or through a bank or other financial intermediary, you are considered the *beneficial owner* of shares held *in street name*. Your bank, broker or other financial intermediary is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker or other financial intermediary on how to vote your shares, but because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the stockholder of record giving you the right to vote the shares. As a beneficial owner, you are, however, welcome to attend the Annual Meeting.

Q: What are the recommendations of the Board?

A. The Board recommends that you vote:

1. “**FOR**” the election of all five nominees for director named in this Proxy Statement;
2. “**FOR**” the proposed amendment to the Company’s Certificate of Association;
3. “**FOR**” the ratification of the appointment of CohnReznick as our independent registered public accounting firm for the 2021 fiscal year;
4. “**FOR**” the approval, by advisory vote, of executive compensation of our named executive officers;
5. “**FOR**” the adjournment proposal; and
6. For “**EVERY TWO YEARS**” as the frequency of the stockholders’ future advisory votes on the compensation paid to the Company’s named executive officers.

The Board knows of no matters that are likely to be brought before the Annual Meeting. If any other matters properly come before the Annual Meeting, the proxy will be authorized to vote or otherwise act in his discretion on those matters.

Q: What constitutes a quorum at the Annual Meeting?

A: The presence in person or by proxy of the holders of thirty four percent (34%) of the outstanding common stock is necessary to constitute a quorum at the Annual Meeting. As of the record date of April 15, 2021, there were 38,266,482 shares of our common stock outstanding, representing the same number of votes. Accordingly, the presence of the holders of at least 13,010,604 shares of our common stock will be required to establish a quorum. Both abstentions and broker non-votes, if any, are counted as present for determining the presence of a quorum.

Q: What vote is required to approve each proposal?

A: Each proposal has its own vote requirement as follows:

Proposal 1: Election of Directors. The nominees for election as directors at the Annual Meeting will be elected by the vote of a plurality of the shares of our common stock entitled to vote on the election, represented in person or by proxy at the Annual Meeting. This means the director nominees receiving the highest number of affirmative votes will be elected as directors. Votes withheld from a director nominee will have no effect on the election of the director from whom votes are withheld.

Proposal 2: Approval of Proposed Amendment to the Certificate of Incorporation. The approval of the amendment to our Certificate of Incorporation requires the affirmative vote of at least sixty-six and two-thirds percent (66 2/3%) of the outstanding shares of common stock of the Company present in person or represented by proxy and entitled to vote on the proposal.

Proposal 3: Ratification of CohnReznick's Appointment. The ratification of the appointment of CohnReznick as our independent registered public accounting firm for the 2021 fiscal year requires the affirmative vote of a majority of the votes cast by all stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal. If the selection of CohnReznick as our independent registered public accounting firm is not ratified, the Audit Committee of the Board may reconsider its selection.

Proposal 4: Approval, by Advisory Vote, of Executive Compensation. With regard to the stockholder advisory vote to approve the executive compensation for our named executive officers for 2020, the affirmative vote of a majority of the votes cast by all stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal.

Proposal 5: Selection, by Advisory Vote, of the Frequency of Future Say on Pay Votes. With regard to the frequency of future advisory votes on the compensation paid to the Company's named executive officers, you may vote for "One Year", "Two Years", "Three Years" or "Abstain" with respect to the proposal. The frequency choice receiving the affirmative vote of the majority of shares present in person or by proxy and entitled to vote on such matter at the Annual Meeting will be deemed the choice of the stockholders. If no one frequency selection alternative receives such majority vote, the alternative receiving the most votes will be deemed the choice of the stockholders.

Proposal 6: Adjournment. The approval of the adjournment requires the affirmative vote of a majority of the votes cast by all stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal.

Q: What is the effect of abstentions and broker non-votes?

A: An "abstention" occurs when a stockholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter or attends the Annual Meeting and elects not to vote or fails to cast a ballot. Abstentions are treated as shares present in person or by proxy and entitled to vote, so abstaining has the same effect as a negative vote for purposes of determining whether our stockholders approved the proposal to amend our Certificate or whether our stockholders ratified the appointment of CohnReznick as our independent registered public accounting firm for the 2021 fiscal year or approved the advisory vote on executive compensation of our named executive officers for 2020. However, because the election of directors is determined by a plurality of the votes cast, abstentions will not be counted in determining the outcome of such proposal.

A "broker non-vote" occurs when a broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote the shares because the proposal is non-routine. Brokers do not have discretionary authority to vote on the election of directors or on the approval of the amendment to our Certificate. Accordingly, brokers who do not receive instructions from the beneficial owner will be entitled to vote only on the ratification of CohnReznick's appointment as our independent registered public accounting firm for the 2021 fiscal year and on the advisory vote to approve executive compensation of our named executive officers.

Q: May I change my vote?

A. Yes. You may change your proxy instructions or revoke your proxy at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may accomplish this by: (a) delivering a written notice of revocation to the Secretary of the Company or the Secretary's designated agent bearing a later date than the proxy being revoked, (b) signing and delivering a later dated written proxy relating to the same shares, or (c) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). For shares held in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee.

Q: Who is paying for this proxy solicitation?

A: We are paying for this proxy solicitation. Our officers and other regular employees may solicit proxies by mail, in person or by telephone or telecopy. These officers and other regular employees will not receive additional compensation. The Company may retain a third party proxy solicitor for the Annual Meeting, whose costs we estimate would be approximately \$15,000. We will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the shares.

Q: Am I entitled to dissenters' rights?

A: No dissenters' rights are available under the General Corporation Law of the State of Delaware, our Charter, or our bylaws to any stockholder with respect to any of the matters proposed to be voted on at the Annual Meeting.

Q: How can I find out the results of the voting at the Annual Meeting?

A: Preliminary voting results will be announced at the annual meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file within three business days after the completion of the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within three business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within three business days after the final results are known to us, file an additional Form 8-K to publish the final results of the Annual Meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Board and Board Committees

The Company’s Amended and Restated Bylaws provide that the Board, by resolution adopted by a majority of the whole Board, may designate one or more other committees, with each such committee to consist of two or more directors. As of the date of this Proxy Statement, the Board consists of six members. The Board annually elects from its members the Audit, Compensation and Compliance Committees. The Board may also from time to time appoint ad hoc committees. Currently, the Board has not appointed a Nominating and Corporate Governance Committee. The Board believes the nominating and corporate governance responsibilities are best handled at this time by the full Board given its size.

The Board held 10 meetings and acted by unanimous written consent 2 times in 2020. Each director attended at least 75% of the aggregate of all meetings of the Board and the Committees on which each such director served in 2020. The Board encourages all directors to attend the Company’s annual meeting of stockholders.

Each of the standing Committees of the Board operates pursuant to a written Committee Charter. Copies of these Charters can be obtained free of charge from the Corporate Governance portion of the Investors section of the Company’s website, www.opgen.com.

Independence of the Board of Directors

The Board determines whether each of our directors is considered independent. For a director to be considered independent, the director must meet the independence standards under the Nasdaq listing standards. The Board must also affirmatively determine that the director has no relationship with the Company that would interfere with the director’s exercise of independent judgment in carrying out the director’s responsibilities. In addition to the Nasdaq listing standards, the Board will consider all relevant facts and circumstances in determining whether a director is independent. Based on the foregoing, the Board has determined that the following nominees and directors satisfy the independence requirements of Nasdaq: Messrs. Crovetto, Elsey and Rhodes, and Dr. Fernandes.

The Board currently consists of Messrs. Crovetto, Elsey, Jones, and Rhodes and Drs. Fernandes and Schacht. The members of the Committees of the Board as of the date of this Proxy Statement are:

Prabhavathi Fernandes	X	X	X
Evan Jones (1)	–	–	Chair
William E. Rhodes, III	–	Chair	–

Nomination of Directors

The full Board acts to evaluate, on an annual basis, the composition of the Board and the skills, qualifications, business attributes and experience of the existing Board members. The specific process for identifying and evaluating new directors, including stockholder-recommended nominees, if any, will vary based on an assessment of the then-current needs of the Board and the Company. The Board will determine the desired profile of a new director, the competencies we are seeking, including experience in one or more areas of need, as determined by the Board. Candidates will be evaluated in light of the target criteria chosen. The Board does not have a formal diversity policy; in addition to the foregoing, it considers race and gender diversity in selection of qualified candidates. See page 14 for a description of the process by which a stockholder can propose a candidate for consideration by the Board.

Board Leadership Structure

We currently separate the positions of Chief Executive Officer and Chairman of the Board. Separating these positions allows our Chief Executive Officer to focus on day-to-day Company business, while allowing our Board Chairman to lead the Board in its fundamental role of providing advice to and independent oversight of management. Oliver Schacht, Ph.D. has served as our Chief Executive Officer since April 2020, and William E. Rhodes, III, one of our independent directors, has served as Board Chairman since April 2020.

The Board assesses this leadership structure on an annual basis to ensure the interests of the Company and its stockholders are best served. Our Board has determined that its current structure, with the separation of the Chairman and Chief Executive Officer roles, is in the best interests of the Company and its stockholders at this time. The Board determined that the current leadership structure would best enable the Chief Executive Officer to focus all of his time on running the operations and strategy of the business, allowing Chairman to focus on oversight and advice to the Chief Executive Officer and Executive Committee members and leadership team.

Board Role in Risk Management

Our Board oversees the management of risks inherent in the operation of our business and the implementation of our business strategies. Our Board performs this oversight role by using several different levels of review. In connection with its reviews of the operations and corporate functions of our Company, our Board addresses the principal risks associated with those operations and corporate functions. In addition, our Board reviews the risks associated with our Company's business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies.

Each of our Board committees also oversees the management of our risk that falls within the committee's areas of responsibility. In performing this function, each committee has full access to management, as well as the ability to engage advisors. Our Chief Financial Officer is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified financial statement-related risks and reporting the same to the Audit Committee. In connection with its risk management role, our Audit Committee meets privately with representatives from our independent registered public accounting firm, and privately with our Chief Financial Officer. The Audit Committee oversees the operation of our risk management program, including the identification of the principal risks associated with our business and periodic updates to such risks, and reports to our Board regarding these activities.

The Compliance Committee oversees the management of our operational and business risks, with particular emphasis on the operational, healthcare and regulatory risks and compliance needs of the organization. Our chief compliance officer is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified operationally, healthcare and regulatory-related risks and reporting the same to the Compliance Committee.

The Compensation Committee assesses the impact risks inherent in the annual and long-term incentive plans could have on the Company. After review, the Compensation Committee does not believe that the Company's executive compensation practices or programs are likely to have a material adverse effect on the Company.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors and persons who own more than 10% of the Company's outstanding common stock to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and any other equity securities of the Company. Directors, officers, and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the Company's records and written representations by the persons required to file such reports, all filing requirements of Section 16(a) were satisfied with respect to the 2020 fiscal year.

Code of Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A current copy of the code is posted on the Corporate Governance section of our website, which is located at www.opgen.com. If we make any substantive amendments to, or grant any waivers from, the code of business conduct and ethics for any officer, we will disclose the nature of such amendment or waiver on our website or in a Current Report on Form 8-K.

Certain Relationships and Related Person Transactions

Other than compensation arrangements we describe below, there were and are no transactions or series of similar transactions, during our last two fiscal years, to which we were a party or will be a party, in which: (i) the amounts involved exceeded or will exceed the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for the past two completed fiscal years; and (ii) any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Compensation arrangements for our directors and named executive officers are described elsewhere in this Proxy Statement.

Policies for Approval of Related Person Transactions

We have adopted a written policy that transactions with directors, officers and holders of 5% or more of our voting securities and their affiliates, each, a related person, must be approved by our Audit Committee.

If we change the date of the 2021 Annual Meeting of Stockholders by more than 30 days from the anniversary of this year's Annual Meeting, recommendations for director candidates must be received not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed and public disclosure was made.

Each notice of recommendation must contain the information required under our Amended and Restated Bylaws, including: (a) for each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for elections of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) as to the stockholder giving the notice, (i) the name and address, as they appear on the Company's books, of such stockholder and (ii) the class and number of shares of the Company which are owned beneficially and of record by such stockholder of record and by the beneficial owner, if any, on whose behalf the nomination is made; and (c) as to the beneficial owner, if any, on whose behalf the nomination is made, (i) the name and address of such person and (ii) the class and number of shares of the Company which are beneficially owned by such person. Employment Agreements with Our Named Executive Officers

Retention Plan

On September 21, 2018, the Board approved a Retention Plan for Executives, or the “Retention Plan.” The Company considers the establishment and maintenance of a sound and vital management team to be essential to protecting and enhancing the best interests of the Company and its stockholders. In this connection, the Company recognizes that, as is the case with many publicly held corporations, the possibility of a change in control may arise and that such possibility, and the uncertainty and questions which it may raise among management, may result in the departure or distraction of management personnel to the detriment of the Company and its stockholders. Accordingly, the Board has determined that appropriate steps should be taken to reinforce and encourage the continued attention and dedication of members of the Company’s management to their assigned duties without distraction in circumstances arising from the possibility of a change in control of the Company. The executive officers of the Company, as that term is defined under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder, are the eligible participants in the Retention Plan, or the “Executives.” The Executives include Timothy C. Dec.

The initial term of the Retention Plan is three (3) years, its term is automatically extended for one (1) year terms thereafter unless the Company provides notice of termination to the Executives at least six (6) months before the termination date; provided, that if a change in control (as defined in the Retention Plan) does occur, the term is then set at two (2) years after the date of the change in control.

The Retention Plan provides for Units to be awarded to the Executives, which can be issued in fractional Units, with each Unit equal to one percent (1%) of the “transaction value” of a change in control transaction. A total of four Units are available for award under the Retention Plan. “Transaction value” means all economic value of a change in control transaction to the Company, including any debt or other obligations assumed by the surviving entity in the transaction, amounts paid to the Company or its stockholders, milestone payments, earn-outs and forgiveness of indebtedness. For purposes of this definition, (i) in the case of the sale, exchange or purchase of the Company’s equity securities, the total consideration paid for such securities (including amounts paid to holders of options, warrants and convertible securities), and (ii) in the case of a sale or disposition by the Company of assets, the total consideration paid for such assets, plus the net value of any current assets not sold by the Company.

The Units will vest and be payable only in the event an Executive has a “qualifying termination” during a defined change in control period, or remains employed by the Company or its successor at the termination date of the Retention Plan. A “qualifying termination” is a termination without cause by the Company or a termination for good reason by the Executive in the change in control period that spans from six (6) months before the change in control to the second anniversary after the change in control consummation.

The Retention Plan is binding on any successor to the Company.

Oliver Schacht

On October 29, 2020, OpGen, Inc. (the “Company”) entered into an Executive Employment Agreement (the “Employment Agreement”) with Oliver Schacht, Ph.D., the Company’s Chief Executive Officer. The Employment Agreement supersedes the (1) Management Services Agreement, dated as of April 2, 2020, by and between the Company and Mr. Schacht, and (2) the Managing Director’s Employment Contract, dated as of August 6, 2020, by and between Curetis GmbH, a wholly-owned subsidiary of the Company, and Mr. Schacht (collectively, the “Prior Agreements”), each of which are terminated, except as expressly provided in the Employment Agreement.

Consistent with the Prior Agreements, the Employment Agreement provides that Mr. Schacht will receive an annual base salary of \$408,000 per year and will be eligible to receive an annual bonus of up to \$285,600, or seventy percent (70%) of the base salary. The annual bonus opportunity will be based on key performance metrics established by the Board of Directors of the Company. Mr. Schacht will be entitled to participate in the Company’s standard equity incentive and benefits plans.

The Employment Agreement extends through September 1, 2021, unless sooner terminated in accordance with its terms. Thereafter, the Employment Agreement automatically renews for successive one year terms, unless either party provides notice of termination at least three months before the commencement of any renewal term. Under the Employment Agreement, Mr. Schacht is subject to customary restrictive covenants, including a requirement not to compete with the Company while the Employment Agreement is in effect.

Pursuant to the Employment Agreement, if Mr. Schacht is terminated without cause or his employment is voluntarily terminated for good reason, or during a change in control, he will receive (a) his annual base salary for a period of twelve (12) months, (b) acceleration of any outstanding options, restricted stock units, or equity awards, and (c) reimbursement for the cost of continued healthcare coverage for up to six (6) months. If the Company provides timely notice of a non-renewal of the Employment Agreement, Mr. Schacht is entitled to receive (a) severance for a period of nine (9) months, and (b) reimbursement for the cost of continued healthcare coverage for up to nine (9) months following expiration of the Agreement. All severance payments are contingent on Mr. Schacht's signing and not revoking a release of claims and compliance with the terms of the Employment Agreement.

Johannes Bacher

On April 6, 2020, the Company entered into a Managing Director's Employment Contract (the "Bacher Agreement") with Mr. Bacher, pursuant to which he will serve as the Chief Operating Officer of the Company. The Bacher Agreement provides that Mr. Bacher will receive a base salary of \$300,000 per year and will be eligible to receive an annual bonus of up to forty-five percent (45%) of the base salary. The annual bonus opportunity will be based on key performance metrics established by the Board and the Compensation Committee. Mr. Bacher will also be entitled to participate in the Company's 2015 Equity Incentive Plan, under which awards will be made consistent with the timing made to the Company's other officers.

In the event of a change of control (as defined in the Bacher Agreement), Mr. Bacher will have a one-time right to terminate the Bacher Agreement upon three-months' notice. In the event of such termination of the Bacher Agreement, Mr. Bacher is entitled to his salary and variable annual bonus for a period of six months after the end of the Bacher Management Agreement.

Pursuant to the Bacher Agreement, Mr. Bacher is subject to customary restrictive covenants, including a requirement not to compete with the Company and its affiliates anywhere in the world for a period of two years after termination of the agreement.

Evan Jones and Timothy Dec

On September 24, 2018, the Company entered into an Executive Change In Control and Severance Benefits Agreement with Evan Jones and amended its Executive Change In Control and Severance Benefits Agreement, each, an "Agreement", with Timothy C. Dec.

The Agreement with Mr. Jones provided that, in the event of a termination without cause by the Company or a termination for good reason by Mr. Jones, he would receive severance equal to six (6) months base salary at the time of termination. In addition, if Mr. Jones' employment was terminated without cause by the Company or any successor, or by Mr. Jones for good reason at any time within two years after a change of control of the Company, he would receive the following additional benefits: (1) the severance payment obligation is increased to twelve (12) months; (2) acceleration, vesting and lapse of forfeiture on any outstanding equity awards granted to the Executive, and, if applicable, extended time to exercise vested stock options; and (3) payment by the Company or its successor, for a period of six (6) months, of health benefits for the Executive and/or the Executive's family at levels substantially equal to those which would have been provided to him or them in accordance with the plans, programs, practices and policies in effect as of the date immediately before the change in control consummation date.

Upon the consummation of our business combination transaction with Curetis N.V., on April 1, 2020, Mr. Jones was no longer offered the roles of Chairman and Chief Executive Officer, and he resigned for "Good Reason" as defined in his Agreement. Under the Agreement, Mr. Jones received, as severance, an amount equal to one-twelfth of his annual base salary for six months. In addition, the Company and Mr. Jones entered into a Transition Agreement and General Release, pursuant to which Mr. Jones provides certain transition and integration assistance services to the Company. Mr. Jones receives a consulting fee of approximately \$23,000 per month in exchange for the services being provided under the Transition Agreement. Finally, since Mr. Jones continued to provide services to the Company until October 1, 2020, he was paid his accrued but unpaid 2018 incentive bonus of \$75,000. Mr. Jones has provided a general release of claims against the Company in the Transition Agreement as required by his Agreement.

The Agreements with the other Executives amend prior agreements to provide the same terms as described above.

For purposes of the Agreements and the Retention Plan, the following terms have the following meanings (where applicable):

"cause" means (i) executive's commission of a felony; (ii) any act or omission of executive constituting dishonesty, fraud, immoral or disreputable conduct that causes material harm to the Company; (iii) executive's violation of Company policy that causes material harm to the Company; (iv) executive's material breach of any written agreement between executive and the Company which, if curable, remains uncured after notice; or (v) executive's breach of fiduciary duty. The termination of executive's employment as a result of the death or disability is not deemed to be a termination without cause.

“change in control” means:

(i) a transaction or series of transactions (other than an offering of common stock to the general public through a registration statement filed with the SEC) whereby any “person” or related “group” of “persons” (as such terms are used in Sections 13(d) and 14(d)(2) of the Exchange Act (other than the Company, any of its subsidiaries, an employee benefit plan maintained by the Company or any of its subsidiaries or a “person” that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Company) directly or indirectly acquires beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of securities of the Company possessing more than 50% of the total combined voting power of the Company’s securities outstanding immediately after such acquisition; or

(ii) the consummation by the Company (whether directly involving the Company or indirectly involving the Company through one or more intermediaries) of (x) a merger, consolidation, reorganization, or business combination or (y) a sale or other disposition of all or substantially all of the Company’s assets in any single transaction or series of related transactions or (z) the acquisition of assets or stock of another entity, in each case other than a transaction: (1) which results in the Company’s voting securities outstanding immediately before the transaction continuing to represent (either by remaining outstanding or by being converted into voting securities of the Company or the person that, as a result of the transaction, controls, directly or indirectly, the Company or owns, directly or indirectly, all or substantially all of the Company’s assets or otherwise succeeds to the business of the Company (the Company or such person, the Successor) directly or indirectly, at least a majority of the combined voting power of the Successor’s outstanding voting securities immediately after the transaction, and (2) after which no person or group beneficially owns voting securities representing 50% or more of the combined voting power of the Successor; provided, however, that no person or group shall be treated for purposes of this definition as beneficially owning 50% or more of the combined voting power of the Successor solely as a result of the voting power held in the Company prior to the consummation of the transaction; or

(iii) the Company’s stockholders approve a liquidation or dissolution of the Company.

“good reason” means any of the following, without executive’s consent: (i) a material diminution of executive’s responsibilities or duties (provided, however, that the acquisition of the Company and subsequent conversion of the Company to a division or unit of the acquiring company will not by itself be deemed to be a diminution of executive’s responsibilities or duties); (ii) material reduction in the level of executive’s base salary (and any such reduction will be ignored in determining executive’s base salary for purposes of calculating the amount of severance pay); (iii) relocation of the office at which executive is principally based to a location that is more than fifty (50) miles from the location at which executive performed his duties immediately prior to the effective date of a change in control; (iv) failure of a successor in a change in control to assume the severance agreement; or (v) the Company’s material breach of any written agreement between executive and the Company. Notwithstanding the foregoing, any actions taken by the Company to accommodate a disability of executive or pursuant to the Family and Medical Leave Act shall not be a good reason for purposes of the agreement. Additionally, before executive may terminate employment for a good reason, executive must notify the Company in writing within thirty (30) days after the initial occurrence of the event, condition or conduct giving rise to good reason, the Company must fail to remedy or cure the alleged good reason within the thirty (30) day period after receipt of such notice if capable of being cured within such thirty-day period, and, if the Company does not cure the good reason (or it is incapable of being cured within such thirty-day period), then executive must terminate employment by no later than thirty (30) days after the expiration of the last day of the cure period (or, if the event condition or conduct is not capable of being cured within such thirty-day period, within thirty (30) days after initial notice to the Company of the violation). Transferring executive’s employment to a successor is not itself good reason to terminate employment under the agreement, provided, however, that subparagraphs (i) through (v) above shall continue to apply to executive’s employment by the successor. This definition is intended to constitute a “substantial risk of forfeiture” as defined under Treasury Regulation 1.409A-1(d).

Director Compensation

Following the consummation of our business combination transaction with Curetis N.V., in May 2020, our Board of Directors reviewed our non-employee director compensation plan and adopted certain revisions to the cash compensation provided to the Company's non-employee directors for their service on the Board and its committees. As revised, each non-employee director receives an annual cash retainer of \$25,000, or, with respect to the Chairman of the Board, \$75,000, each payable quarterly, plus additional annual cash compensation for the Board and committee chairs (\$15,000 for Audit Committee, \$12,000 for Compensation Committee and \$7,500 for Compliance Committee) and for committee members (\$7,000 for Audit Committee, \$6,000 for Compensation Committee and \$3,500 for Compliance Committee). In addition, each new non-employee director receives an initial equity grant and each non-employee director receives an annual equity grant. Under such program, each non-employee director receives an initial grant of 30,000 restricted stock units and an annual grant to non-employee directors of 15,000 restricted stock units. All such awards are made under the 2015 Plan. The annual equity award may be pro-rated in the first year of service depending on when the non-employee director joins the Board or may be deferred until the following year.

On August 5, 2020, the Board approved, and stockholders subsequently approved, the 2020 Stock Option grants under the 2020 Stock Options Plan. The 2020 Stock Option provided for the grant to each of our non-employee directors a one-time stock option to purchase 50,000 shares of the Company's common stock.

During his tenure as Chairman of the Board and Chief Executive Officer, Evan Jones did not receive additional compensation for service on our Board. Similarly, Dr. Schacht does not receive additional compensation for his service on the Board. See "Summary Compensation Table" for their 2020 compensation.

Compensation Risk Assessment

We believe that although a portion of the compensation provided to our executive officers and other employees is performance-based, our executive compensation program does not encourage excessive or unnecessary risk taking. This is primarily due to the fact that our compensation programs are designed to encourage our executive officers and other employees to recognize and support both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

Employee Incentive Plans

The following table shows, as of December 31, 2020, the Company's equity compensation plans under which the Company's equity securities are authorized for issuance:

<u>Plan Category</u>	<u>Number of securities to be issued upon exercise of outstanding options, warrants and rights(1)</u>	<u>Weighted average exercise price of outstanding options, warrants and rights(2)</u>	<u>Number of securities remaining available for future issuance</u>
Equity compensation plans approved by security holders	1,672,639	\$ 7.99	6,025

(2) Includes the weighted-average exercise price of stock options and warrants only.

2008 Plan

Our 2008 Stock Option and Restricted Stock Plan, as amended, or 2008 Plan, was approved by our Board and stockholders in April 2008; subsequent increases in the number of shares available for awards under the 2008 Plan were approved by our Board and stockholders in January 2009, February 2011, March 2012, December 2012, April 2014 and October 2014. A total of 57,911 shares of our common stock are reserved for issuance under the 2008 Plan.

The 2008 Plan provided for the grant of stock options and restricted stock awards. The Compensation Committee determined the time or times at which a stock option will vest or become exercisable and the terms on which such option will remain exercisable. The Compensation Committee determined the conditions and restrictions and purchase price, if any, for grants or sales or restricted stock to plan participants. The Compensation Committee may also at any time accelerate the vesting or exercisability of an award.

Under the 2008 Plan, in the event of any dissolution or liquidation of the Company, the sale of all or substantially all of the Company's assets, or the merger or consolidation of the Company where the Company is not the surviving entity or which results in the acquisition of all or substantially all of the Company's then outstanding common stock, the Compensation Committee may: (a) provide for the assumption or substitution of some or all of the outstanding awards; (b) provide for a cash-out payment; or (c) in the case there is no assumption, substitution or cash-out, provide that all awards not exercised or awards providing for the future delivery of common stock will terminate upon the closing of the transaction.

Following our 2015 Equity Incentive Plan, or 2015 Plan, becoming effective, no further grants have been or will be made under our 2008 Plan.

2015 Plan

The 2015 Plan provides for the granting of incentive stock options within the meaning of Section 422 of the Code to employees and the granting of non-qualified stock options to employees, non-employee directors and consultants. The 2015 Plan also provides for grants of restricted stock, restricted stock units, stock appreciation rights, dividend equivalents and stock payments to employees, non-employee directors and consultants. The 2015 Plan was amended by the Compensation Committee in February 2017 to revise the provisions with respect to net settlement of awards in response to change in regulations, and to establish standard periods for exercise of vested stock options following termination of service events.

Administration. The Compensation Committee administers the 2015 Plan, including the determination of the recipient of an award, the number of shares or amount of cash subject to each award, whether an option is to be classified as an incentive stock option or non-qualified stock option, and the terms and conditions of each award, including the exercise and purchase prices and the vesting and duration of the award. Our Board may appoint one or more separate committees of our Board, each consisting of one or more members of our Board, to administer our 2015 Plan with respect to employees who are not subject to Section 16 of the Exchange Act. Subject to applicable law, our Board may also authorize one or more officers to designate employees, other than employees who are subject to Section 16 of the Exchange Act, to receive awards under our 2015 Plan and/or determine the number of such awards to be received by such employees subject to limits specified by our Board.

Authorized shares. Under our 2015 Plan, the aggregate number of shares of our common stock authorized for issuance may not exceed (1) 54,200 plus (2) the sum of the number of shares subject to outstanding awards under the 2008 Plan as of the 2015 Plan's effective date that are subsequently forfeited or terminated for any reason before being exercised or settled, plus the number of shares subject to vesting restrictions under the 2008 Plan on the 2015 Plan's effective date that are subsequently forfeited. In addition, the number of shares that have been authorized for issuance under the 2015 Plan are automatically increased on the first day of each fiscal year beginning on January 1, 2016 and ending on (and including) January 1, 2025, in an amount equal to the lesser of (i) 4% of the outstanding shares of our common stock on the last day of the immediately preceding fiscal year, and (ii) another lesser amount determined by our Board. As of April 15, 2021, 394,466 shares remain available for future awards under the 2015 Plan.

Shares subject to awards granted under the 2015 Plan that are forfeited or terminated before being exercised or settled, or are not delivered to the participant because such award is settled in cash, will again become available for issuance under the 2015 Plan. However, shares that have actually been issued shall not again become available unless forfeited. No more than 160,000 shares may be delivered upon the exercise of incentive stock options granted under the 2015 Plan.

Types of Awards

Stock options. A stock option is the right to purchase a certain number of shares of stock, at a certain exercise price, in the future. Under our 2015 Plan, incentive stock options and non-qualified options must be granted with an exercise price of at least 100% of the fair market value of our common stock on the date of grant. Incentive stock options granted to any holder of more than 10% of our voting shares must have an exercise price of at least 110% of the fair market value of our common stock on the date of grant. The stock option agreement specifies the date when all or any installment of the option is to become exercisable. Payment of the exercise price may be made in cash or, if provided for in the stock option agreement evidencing the award, (1) by surrendering, or attesting to the ownership of, shares which have already been owned by the optionee, (2) by delivery of an irrevocable direction to a securities broker to sell shares and to deliver all or part of the sale proceeds to us in payment of the aggregate exercise price, (3) by a "net exercise" arrangement, or (4) by any other form that is consistent with applicable laws, regulations and rules.

Restricted stock. Restricted stock is a share award that may be subject to vesting conditioned upon continued service, the achievement of performance objectives or the satisfaction of any other condition as specified in a restricted stock agreement. Participants who are granted restricted stock awards generally have all of the rights of a stockholder with respect to such stock, other than the right to transfer such stock prior to vesting.

Restricted stock units. Restricted stock units give recipients the right to acquire a specified number of shares of stock at a future date upon the satisfaction of certain conditions, including any vesting arrangement, established by our Compensation Committee and as set forth in a restricted stock unit agreement. Unlike restricted stock, the stock underlying restricted stock units will not be issued until the restricted stock units have vested and are settled, and recipients of restricted stock units generally will have no voting or dividend rights prior to the time the vesting conditions are satisfied and the award is settled.

Dividend equivalents. At our Compensation Committee's discretion, performance-based restricted stock or restricted stock unit awards may provide for the right to dividend equivalents. Subject to the terms of the 2015 Plan, our Compensation Committee will determine the terms and conditions of any stock unit award, which will be set forth in a stock unit agreement to be entered into between us and each recipient.

Stock appreciation rights. Stock appreciation rights typically will provide for payments to the recipient based upon increases in the price of our common stock over the exercise price of the stock appreciation right. The exercise price of a stock appreciation right will be determined by our Compensation Committee, which shall not be less than the fair market value of our common stock on the date of grant. Our Compensation Committee may elect to pay stock appreciation rights in cash or in common stock or in a combination of cash and common stock.

Performance-based awards. Awards under our 2015 Plan may be made subject to the attainment of performance goals.

Other Plan Features

No Transfer. Unless the agreement evidencing an award expressly provides otherwise, no award granted under the 2015 Plan may be transferred in any manner (prior to the vesting and lapse of any and all restrictions applicable to shares issued under such award), other than by will or the laws of descent and distribution, provided, however, that an incentive stock option may be transferred or assigned only to the extent consistent with Section 422 of the Code.

Adjustments. In the event of a recapitalization, stock split or similar capital transaction, our Compensation Committee will make appropriate and equitable adjustments to the number of shares reserved for issuance under the 2015 Plan, the limitations regarding the total number of shares underlying awards given to an individual participant in any calendar year, the number of shares that can be issued as incentive stock options, the number of shares subject to outstanding awards and the exercise price under each outstanding option or stock appreciation right.

Change in Control. If we are involved in a merger or other reorganization, outstanding awards will be subject to the agreement of merger or reorganization. Such agreement will provide for (1) the continuation of the outstanding awards by us if we are the surviving corporation, (2) the assumption or substitution of the outstanding awards by the surviving corporation or its parent or subsidiary, (3) immediate vesting, exercisability and settlement of the outstanding awards followed by their cancellation, or (4) settlement of the intrinsic value of the outstanding awards (whether or not vested or exercisable) in cash, cash equivalents, or equity (including cash or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such award or the underlying shares) followed by cancellation of such awards.

Termination or Amendment. Our Board may amend or terminate the 2015 Plan at any time, subject to stockholder approval where required by applicable law. Any amendment or termination may not materially impair the rights of holders of outstanding awards without their consent. No incentive stock option may be granted after the tenth anniversary of the date the 2015 Plan was adopted by our Board.

Effective Date. The 2015 Plan was initially adopted by our Board and subsequently approved by our stockholders in April 2015. The 2015 Plan became effective on May 4, 2015. Awards may be granted under the 2015 Plan until April 1, 2025.

Amended and Restated Stock Option Plan

In connection with the consummation of the Company's business combination transaction with Curetis N.V., on April 1, 2021, the Company assumed and adopted the 2016 Stock Option Plan, as amended, of Curetis N.V., the former parent company of Curetis GmbH. The Company assumed the 2016 Stock Option Plan as the Amended and Restated Stock Option Plan of the Company (the "A&R Plan"). In connection with the foregoing, the Company assumed all awards thereunder that were outstanding as of April 1, 2020 and converted such awards into options to purchase shares of common stock of the Company pursuant to the terms of the applicable award.

The A&R Plan provides for the grant of stock options, which are the right to purchase a certain number of shares of stock, at a certain exercise price, in the future. The stock option agreement specifies the date when all or any installment of the option is to become exercisable. The Compensation Committee administers the A&R Plan, including taking all actions required or advisable for the administration and proper implementation of the A&R Plan; interpreting the A&R Plan unless specifically provided otherwise in the A&R Plan; and making all other decisions necessary or advisable to enable the administration and proper implementation of the A&R Plan. Under the A&R Plan, the aggregate number of shares of our common stock authorized for issuance shall not exceed 134,256. Following the assumption of the A&R Plan, no further grants have been or will be made under the A&R Plan.

Under the A&R Plan, in the event of a "change in control", as defined in the A&R Plan, all the outstanding options will vest fully at the date of the change in control. However, in the event of a change in control due to a sale, merger, sale of substantially all of the assets or consolidation of the Company, all the outstanding options will be addressed in the applicable acquisition agreement. Such agreement may at the sole discretion of the Compensation Committee and without the approval or the advice of the optionees being required, provide the following: (1) the continuation of the outstanding options by the Company (if the Company is the company that continues to exist); (2) the take-over of the A&R Plan and the outstanding options by the acquiring company or the company that continues to exist, or its parent company; (3) the replacement of the outstanding options by new option rights with conditions that are equivalent to the conditions of the outstanding options by the acquiring company or the company that continues to exist, or its parent company; or (4) the cancellation of each outstanding option in return for payment to the optionee of an amount per option equal to the difference between the fair market value of the common stock of the Company at the time of the closing under the purchase, merger, or consolidation agreement less the option price.

Except as expressly provided for under the A&R Plan, the awards granted under the A&R Plan may not be sold, assigned, transferred, pledged, mortgaged or otherwise disposed of. The Compensation Committee and the Board may alter, amend or terminate the Plan or any part thereof at any time and from time to time, provided, however, that no such alteration or amendment shall adversely affect the rights relating to any options granted or shares acquired upon exercise of options prior to that time.

2020 Stock Options Plan

The 2020 Stock Options Plan was approved by stockholders at the 2020 Annual Meeting of Stockholders and were granted on the date thereof. The 2020 Stock Options were granted with an exercise price equal to the fair market value of the common stock on the date of grant, or \$2.12. No shares remain available for future awards under the 2020 Stock Options Plan. The following sets forth the principal terms of, and constitutes, the 2020 Stock Options Plan.

Administration. The Compensation Committee will administer the 2020 Stock Options Plan, including, whether, for U.S. taxpayer employees, an option is to be classified as an incentive stock option or non-qualified stock option.

Authorized shares. The aggregate number of shares of our common stock authorized for issuance is 1,300,000 shares of common stock. Shares subject to awards granted under the 2020 Stock Options Plan that are forfeited or terminated before being exercised will not be available for re-issuance under the 2020 Stock Options Plan. No more than 500,000 shares may be delivered upon the exercise of incentive stock options granted under the 2020 Stock Options Plan.

Stock options. A stock option is the right to purchase a certain number of shares of stock, at a certain exercise price, in the future. Under our 2020 Stock Options Plan, incentive stock options and non-qualified options must be granted with an exercise price of at least 100% of the fair market value of our common stock on the date of grant. Incentive stock options granted to any holder of more than 10% of our voting shares must have an exercise price of at least 110% of the fair market value of our common stock on the date of grant. The stock option agreement specifies the date when all or any installment of the option is to become exercisable. For non-employee directors payment of the exercise price must be made in cash. For executive officers, payment of the exercise price may be made in cash or, if provided for in the stock option agreement evidencing the award, (1) by surrendering, or attesting to the ownership of, shares which have already been owned by the optionee, (2) by delivery of an irrevocable direction to a securities broker to sell shares and to deliver all or part of the sale proceeds to us in payment of the aggregate exercise price, (3) by a “net exercise” arrangement, or (4) by any other form that is consistent with applicable laws, regulations and rules.

No Transfer. No award granted under the 2020 Stock Options Plan may be transferred in any manner, other than by will or the laws of descent and distribution, provided, however, that an incentive stock option may be transferred or assigned only to the extent consistent with Section 422 of the Code.

Adjustments. In the event of a recapitalization, stock split or similar capital transaction, the Compensation Committee will make appropriate and equitable adjustments to the number of shares reserved for issuance under the 2020 Stock Options Plan, the number of shares that can be issued as incentive stock options, the number of shares subject to outstanding awards and the exercise price under each outstanding stock option.

Change in Control. If we are involved in a merger or other reorganization, outstanding awards will be subject to the agreement of merger or reorganization. Such agreement will provide for (1) the continuation of the outstanding awards by us if we are the surviving corporation, (2) the assumption or substitution of the outstanding awards by the surviving corporation or its parent or subsidiary, (3) immediate vesting, exercisability and settlement of the outstanding awards followed by their cancellation, or (4) settlement of the intrinsic value of the outstanding awards (whether or not vested or exercisable) in cash, cash equivalents, or equity (including cash or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such award or the underlying shares) followed by cancellation of such awards.

Termination or Amendment. The 2020 Stock Options Plan can be terminated by the Board of Directors or Compensation Committee at any time, and, subject to stockholder approval where required by applicable law, can be amended. Any amendment or termination may not materially impair the rights of holders of outstanding awards without their consent.

Effective Date. The 2020 Stock Options Plan became effective upon approval by the stockholders at the 2020 Annual Meeting of Stockholders. The 2020 Stock Options Plan will terminate upon the expiration or termination of the last outstanding award.

Awards to Non-Employee Directors. The 2020 Stock Options granted to the members of the Board have a one-year vesting schedule, vesting quarterly in equal installments on the first day of each three month period as long as the director is providing services to the Company on each such vesting date. The term of such stock options is ten (10) years after the date of grant; provided, however, that any unvested stock options will expire if the director ceases providing services to the Company, and a departing director will have ninety (90) days to exercise vested stock options after the director ceases providing services to the Company.

Awards to Executive Officers. The 2020 Stock Options granted to the executive officers have a four year vesting schedule, vesting 25% on the first anniversary of the date of grant and the remaining options vesting 6.25% on the quarterly anniversary of the first vesting date for a period of three years, as long as the executive officer continues providing services to the Company on each such vesting date. The term of such stock options is ten (10) years after the date of grant; provided, however, that any unvested stock options will expire if the executive officer ceases providing services to the Company, and a departing officer will have ninety (90) days to exercise vested stock options after the executive officer ceases providing services to the Company.

PROPOSALS TO BE ACTED UPON AT THE ANNUAL MEETING

PROPOSAL NO. ONE – ELECTION OF DIRECTORS

Nominees for Election of Directors

The Board is nominating five of the six current directors, William E. Rhodes, III, Mario Crovetto, R. Donald Elsey, Dr. Prabhavathi Fernandes and Oliver Schacht, Ph.D. for re-election to the Board. On March 3, 2021, Evan Jones informed the Company of his intention, for purely personal reasons, not to stand for re-election as a director and retire from the Board. Each director nominee, if elected, will serve for a one year term, until his or her successor is elected and qualified, or until their earlier death, resignation or removal. Each nominated director and director nominee has consented to being named as a nominee in this Proxy Statement and to serving as a director if elected. Neither management nor the Board is aware of any reason that would cause any nominee to be unavailable to serve as a director. Discretionary authority may be exercised by the proxy holders named in the enclosed proxy to vote for a substitute nominee proposed by the Board if any nominee becomes unavailable for election. Please see page 7 of this Proxy Statement under the heading “**Management-Board of Directors**” for information regarding the five nominees for election as a director.

The persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the five nominees for director named below. If, at the time of the Annual Meeting, any of these nominees shall become unavailable for any reason, which event is not expected to occur, the persons entitled to vote the proxy will vote for such substitute nominee or nominees, if any, as they determine in their sole discretion.

Vote Required and Recommendation

The Board recommends a vote “**FOR**” the election of William E. Rhodes, III, Mario Crovetto, R. Donald Elsey, Dr. Prabhavathi Fernandes and Oliver Schacht, Ph.D. to the Board. Directors are elected by a plurality of votes cast. Unless otherwise specified, the enclosed proxy will be voted “**FOR**” the election of the Board’s slate of nominees.

PROPOSAL NO. TWO – APPROVAL OF AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED

The Company’s Certificate currently authorizes the Company to issue a total of 60,000,000 shares of capital stock, consisting of 50,000,000 shares of Common stock, and 10,000,000 shares of preferred stock. The Board is requesting stockholder approval of an amendment to the Certificate to increase the authorized number of shares of capital stock from 60,000,000 to 110,000,000 and shares of Common Stock from 50,000,000 shares to 100,000,000 shares (the “Certificate Amendment”). The Company is not seeking any change to the number of shares of authorized preferred stock.

If the stockholders approve the Certificate Amendment, the Company will file a Certificate of Amendment to the Certificate to amend and replace the first sentence of Article FOURTH, in its entirety, to read as follows:

“The aggregate number of shares of all classes of capital stock which the Corporation shall have authority to issue is 110,000,000 shares of capital stock, consisting of 100,000,000 shares designated as Common Stock, \$0.01 par value per share, and 10,000,000 shares of Preferred Stock, \$0.01 par value per share.”

Except for the first sentence of Article FOURTH, all of the remaining provisions in the Certificate of Incorporation will remain in full force and effect without change. This description is qualified by the full text of the Certificate Amendment that is attached as Appendix A to this Proxy Statement.

The additional Common Stock to be authorized by adoption of the Certificate Amendment would have rights identical to the currently outstanding Common Stock of the Company. Adoption of the proposed Certificate Amendment would not affect the rights of the holders of currently outstanding Common Stock of the Company, except for effects incidental to increasing the number of shares of the Company’s Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of Common Stock. Though the increase in authorized Common Stock could make more difficult or discourage attempts to obtain control of the Company, thereby having an implicit anti-takeover effect, neither it nor the Board views this as an anti-takeover mechanism. The increase in authorized shares of Common Stock is not being proposed in response to any known threat to acquire control of the Company.

Background of and Rationale for the Proposal

The Company has financed its operations primarily through public and private offerings of securities, debt financing, and revenue from product sales and license agreements. Until the Company can continually generate positive cash flow from operations, it will need to continue to fund its operations with the proceeds of offerings of the Company’s securities. The Company will need additional capital to further fund product development and the implementation of its business plan. The Company intends to cover future operating expenses through cash on hand, revenue derived from product sales, and through the issuance of additional Company securities. Depending on market conditions, the Company cannot be sure that additional financing will be available when needed or that, if available, financing will be obtained on terms favorable to the Company or its stockholders.

Over the past several years, the Company has utilized similar facilities to fund operations. During the year ended December 31, 2020, the Company raised net proceeds of approximately \$25.1 million through the sale of 12,364,225 shares of Company common stock in public offerings and private placements and received approximately \$8.7 from the exercise of 4,341,000 warrants. During the year ended December 31, 2019, the Company raised net proceeds of approximately \$13.1 million through the sale of 5,150,000 shares of Company common stock in public offerings.

If the Certificate of Amendment is approved, the newly authorized shares would be unreserved and available for issuance upon the approval of the Board at such times, in such amounts, and upon such terms as the Board may determine. Although the Board has no present plans or proposals to issue the additional shares of common stock that would be authorized by the Certificate Amendment, the Company believes that the proposed increase in the number of authorized shares of common stock is desirable in order to enhance flexibility in taking possible future actions, such as raising additional equity capital to support the Company’s business plan and operations, stock-based acquisitions, equity compensation awards or other corporate purposes.

The proposed amendment will allow the Company to accomplish these objectives without further stockholder approval, unless such approval is expressly required by applicable law. By approving the increase now, in advance of any specific need or plans, the Company will be able to act in a timely manner when such a need arises or when the Board believes it is in the best interests of the Company and its stockholders to take action, without the delay and expense that would be required at that time to obtain stockholder approval of such an increase as a special meeting of stockholders.

If Company stockholders do not approve the Certificate Amendment, the Company may not be able to access the capital markets and raise the capital necessary to execute its business plan; attract, retain and motivate employees; or pursue other business opportunities integral to the Company's growth and success.

The Board has approved the Certificate Amendment. If the Certificate Amendment is approved at the 2021 Annual Meeting, the Company intends to promptly file the Certificate of Amendment with the Secretary of State of the State of Delaware. The Certificate Amendment will then become effective upon filing of the Certificate of Amendment with the Secretary of State of the State of Delaware.

The affirmative vote of the holders of sixty-six and two-thirds percent (66 2/3%) of the outstanding shares of common stock of the Company present in person or represented by proxy and entitled to vote on the proposal will be required to approve the Certificate Amendment. Abstentions will be counted as present for the purposes of determining the presence of a quorum, but will have the same effect as an "against" vote on the proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that you vote "**FOR**" Proposal No. Two.

PROPOSAL NO. THREE - RATIFICATION OF INDEPENDENT ACCOUNTING FIRM

Independent Registered Public Accounting Firm

On March 3, 2021 the Board unanimously approved the Audit Committee’s recommendation to appoint CohnReznick LLP, or CohnReznick, as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2021, and directed that the selection of CohnReznick be submitted to the stockholders for ratification at the Annual Meeting. Although the Company is not required to submit the selection of independent registered public accountants for stockholder approval, if the stockholders do not ratify this selection, the Audit Committee may reconsider its selection of CohnReznick. The Board considers CohnReznick to be well qualified to serve as the independent auditors for the Company; however, even if the selection is ratified, the Board may direct the appointment of a different independent registered public accounting firm at any time during the current or subsequent fiscal year if the Audit Committee and Board determine that the change would be in the Company’s best interests.

Representatives of CohnReznick are expected to attend the Annual Meeting and will be available to respond to appropriate questions and, if they desire, to make a statement.

Audit Fees

CohnReznick LLP has served as the independent registered public accounting firm of the Company since 2013. The following table presents the aggregate fees billed to the Company by CohnReznick for its audits of the Company’s consolidated annual financial statements and other services for the years ended December 31, 2020 and 2019.

	2020	2019
Audit Fees (1)	\$ 586,627	\$ 403,540
Audit Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$ 586,627	\$ 403,540

- (1) Audit Fees consist of fees billed for professional services performed by CohnReznick for the audit of our consolidated annual financial statements for the years ended December 31, 2020 and 2019, the review of our quarterly financial statements on Form 10-Q, filing of Registration Statements on Forms S-1, S-3, S-4 and S-8, and associated Consent Letters and related services that are normally provided in connection with statutory and regulatory filings or engagements.

Policy on Audit Committee Pre-Approval

Our Audit Committee has a policy in place that requires its review and pre-approval of all audit and permissible non-audit services provided by our independent registered public accounting firm. The services requiring pre-approval by the audit committee may include audit services, audit-related services, tax services and other services. All such audit and permissible non-audit services were pre-approved in accordance with this policy during the fiscal year ended December 31, 2020. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of our independent registered public accounting firm. The responsibility to pre-approve audit and non-audit services may be delegated by the Audit Committee to one or more members of the Audit Committee; provided that any decisions made by such member or members must be presented to the full Audit Committee at its next scheduled meeting.

Recommendation of the Board of Directors

The Board recommends that stockholders vote “**FOR**” the ratification of CohnReznick as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2021.

PROPOSAL NO. FOUR - ADVISORY VOTE ON EXECUTIVE COMPENSATION (SAY ON PAY)

In July 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) was enacted. Under the Dodd-Frank Act, the Company is providing the stockholders a vote to approve, on an advisory (nonbinding) basis, the compensation paid to our named executive officers in 2020 as disclosed in this Proxy Statement in accordance with the SEC’s rules.

This proposal, commonly known as a “say-on-pay” proposal, gives the stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific element of our executive compensation programs, but rather to address our overall approach to the compensation of our named executive officers as described in this Proxy Statement. The Board is asking the stockholders to indicate their support for our executive compensation program, as described in this Proxy Statement, by voting “For” the following resolution:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the named executive officers for 2020, as disclosed in the accompanying proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure.

Advisory Nature of the Vote

Because this vote is advisory, it will not be binding upon the Company, the Compensation Committee or the Board. However, the Compensation Committee and the Board value the opinions of the stockholders and, to the extent there is any significant vote against the Company’s compensation practices for the named executive officers as disclosed in this proxy statement, the Board will consider this stockholders’ vote and the Compensation Committee will evaluate whether any actions are necessary to address the stockholders’ concerns when considering future executive compensation arrangements.

Recommendation of the Board of Directors

The Board recommends that stockholders vote “**FOR**” the Say on Pay proposal.

PROPOSAL NO. FIVE - ADVISORY VOTE ON THE FREQUENCY OF SAY ON PAY

The Dodd-Frank Act also requires us to provide the stockholders with an advisory vote on how frequently in the future the Company should seek an advisory vote approving the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules. In voting on this Proposal Five, stockholders may indicate whether they would prefer an advisory vote on named executive officers' compensation once every one, two, or three years. If desired, as set forth in the attached proxy, a stockholder may abstain from voting on this Proposal Five.

The Board has considered the Dodd-Frank Act requirements for such "say-on-pay frequency" vote and has determined that an advisory vote on executive compensation that occurs every other year is the most appropriate alternative for the Company. The appropriate frequency of an advisory vote on executive compensation is the subject of diverging opinions and views, and the Board believes there is reasonable basis for each of the three options. Less frequency would encourage a more long-term, rather than short-term, analysis of our executive compensation programs and would avoid the burden that annual votes would impose on stockholders required to evaluate the executive compensation program each year. On the other hand, greater frequency provides stockholders the opportunity to react promptly to emerging trends in compensation and gives the Board and the Compensation Committee the opportunity to evaluate the compensation program each year in light of timely input from stockholders.

Advisory Nature of the Vote

Because this vote is advisory, it will not be binding upon the Company, the Compensation Committee or the Board. However, the Compensation Committee and the Board value the opinions of the stockholders and, to the extent there is any significant vote against the Company's compensation practices for the named executive officers as disclosed in this proxy statement, the Board will consider this stockholders' vote and the Compensation Committee will evaluate whether any actions are necessary to address the stockholders' concerns when considering future executive compensation arrangements.

Recommendation of the Board of Directors

The alternative of "One Year", "Two Years" or "Three Years" that receives the affirmative vote of the majority of shares present in person or by proxy and entitled to vote will be deemed the choice of the stockholders. If no one frequency selection alternative receives such majority vote, the alternative receiving the most votes will be deemed the choice of the stockholders. The Board recommends that stockholders vote for "**TWO YEARS**" in response to the Say on Pay frequency vote.

PROPOSAL NO. SIX - TO APPROVE THE ADJOURNMENT OF THE ANNUAL MEETING, IF NECESSARY, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE INSUFFICIENT VOTES AT THE TIME OF THE SPECIAL MEETING TO APPROVE PROPOSAL NO. TWO.

Background of and Rationale for the Proposal

The Board believes that if the number of shares of the Company's common stock outstanding and entitled to vote at the Annual Meeting is insufficient to approve Proposal No. Two, it is in the best interests of the stockholders to enable the Board to continue to seek to obtain a sufficient number of additional votes to approve the Amendment (the "Adjournment Proposal").

In the Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning or postponing the Annual Meeting or any adjournment or postponement thereof. If our stockholders approve this proposal, we could adjourn or postpone the Annual Meeting, and any adjourned session of the Annual Meeting, to use the additional time to solicit additional proxies in favor of the Certificate of Amendment.

Additionally, approval of the Adjournment Proposal could mean that, in the event we receive proxies indicating that a majority of the number of outstanding shares of our common stock will vote against the Certificate of Amendment, we could adjourn or postpone the Annual Meeting without a vote on the Certificate of Amendment and use the additional time to solicit the holders of those shares to change their vote in favor of the Certificate of Amendment.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting will be required to approve the Adjournment Proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that you vote "**FOR**" Proposal No. SIX.

ANNUAL REPORT TO STOCKHOLDERS

Included with this Proxy Statement is the Company's 2020 Annual Report to Stockholders.

OTHER MATTERS

Management and the Board of the Company know of no matters to be brought before the Annual Meeting other than as set forth herein. However, if any such other matters properly are presented to the stockholders for action at the Annual Meeting and any adjournments or postponements thereof, it is the intention of the proxy named in the enclosed proxy card to vote in his discretion on all matters on which the shares represented by such proxy are entitled to vote.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

Only one Notice of Internet Availability of Proxy Materials is being delivered to stockholders sharing an address unless we have received contrary instructions from one or more of the stockholders. Upon the written or oral request of a stockholder, we will deliver promptly a separate copy of the Notice of Internet Availability of Proxy Materials to a stockholder at a shared address to which a single copy was delivered. Stockholders desiring to receive a separate copy now or in the future may contact us at our corporate offices located at 9717 Key West Ave, Suite 100, Rockville, MD 20850, or by telephone: (240) 813-1260.
